

Letter of Notification

[Date]

SUBJECT: OPERATION OF RECREATIONAL REMOTE-CONTROLLED UNMANNED AIRCRAFT

Dear Airport Operator, [please insert name if known]

In accordance with the FAA Circular Advisory 91-57A and Section 336, Special Rule for Model Aircraft contained within Public Law 112-95 of the FAA Modernization and Reform Act of 2012, this letter will serve as notification of our remote-controlled model aircraft activities conducted within the safety guidelines and programming of the Academy of Model Aeronautics, Inc. (AMA), a nationwide community-based organization.

Our club, _____, AMA chartered club # _____
name of club

is operating remote-control model aircraft on a daily basis, at

name of club field and address

Copies of AMA's safety guidelines can be found at www.modelaircraft.org/documents.aspx.

If applicable, we would appreciate you sharing this information with the FAA control tower and providing us with the ATC contact.

Should you have any questions, you can contact the club at:

[provide phone number/email for appropriate club officer(s)]

Best regards,
